

To Whom It May Concern:

We are writing to request your support for the 15th Annual Snowmass Retina & Eye Conference, taking place Monday, March 16th through Friday, March 20th, 2026, at the Viceroy Snowmass in Snowmass Village, Colorado.

Past support has been instrumental in maintaining the excellence and innovation of this meeting, and we would greatly appreciate your consideration of a financial commitment this year. Your partnership offers an exceptional opportunity to share advancements in ophthalmic care, build new connections, and engage directly with a distinguished group of ophthalmologists from across the country.

Event Name: Snowmass Retina & Eye Conference 2026

Event Dates: Monday, March 16th – Friday, March 20th, 2026

Location: Viceroy Snowmass, Snowmass Village, Colorado

Subspecialty Days:

- Anterior Segment/Glaucoma/Neuro: March 16th – March 17th, 2026
- Retina: March 18th – March 20th, 2026

Conference Description:

The Snowmass Retina & Eye Conference is a highly interactive ophthalmology meeting designed for specialists, comprehensive ophthalmologists, fellows, and residents. Developed in collaboration with leading academic faculty, the 2026 course will provide in-depth exposure to the latest diagnostic technologies, treatment innovations, and surgical techniques in eye care. The intimate, discussion-heavy format allows attendees to actively engage with world-renowned faculty in a collaborative setting.

This year's conference will focus on Retina, Cataract, Anterior Segment, Glaucoma, Neuro-Ophthalmology, Refractive Surgery, and MIGS, with over 25 hours of accredited education and participation from 150+ expected attendees. The event also offers expanded sponsorship recognition and increased exhibitor opportunities.

Course Directors:

- Richard F. Spaide, MD | Vitreous Retina Macula Consultants of New York
- Michael W. Stewart, MD | Mayo Clinic
- Michael S. Ip, MD | UCLA
- Ronald E.P. Frenkel, MD | Eye Research Foundation

Keynote Retina & Cataract Faculty:

- Kendall E. Donaldson, MD | Bascom Palmer Eye Institute
- David Sarraf, MD | UCLA
- Lee M. Jampol, MD | Northwestern University

Keynote MIGS, Neuro & Anterior Segment Faculty:

- Louis B. Cantor, MD | Indiana University
- Robert L. Stamper, MD | University of California, San Francisco
- Anna K. Junk, MD | Bascom Palmer Eye Institute

The Eye Research Foundation, organizer of this meeting, is committed to reducing blindness through research, education, and community outreach. We focus on improving diagnostic precision and treatment outcomes for a wide range of ocular diseases, including macular degeneration, glaucoma, diabetic eye disease, retinal vascular conditions, and dry eye disease.

We invite you to review the attached prospectus outlining a variety of sponsorship opportunities designed to meet your visibility and engagement goals.

On behalf of the entire Snowmass Retina & Eye 2026 Planning Committee, we thank you for your time and hope you'll choose to partner with us in making this our most impactful conference to date.

Sincerely,

The Snowmass Retina & Eye 2026 Course Directors
