- Enhanced Exposure: Showcase your products and services at our expanded vendor booths and benefit from increased sponsor recognition.

Don't miss this unique opportunity to shape the future of eye care. Register now and join us in Snowmass!

THE EYE RESEARCH FOUNDATION: PIONEERING VISION PRESERVATION

The Eye Research Foundation: Pioneering Vision Preservation

Dedicated to reducing blindness, the Eye Research Foundation is a driving force in advancing the diagnosis and treatment of eye diseases. Through innovative research, we strive to identify early intervention methods, empowering patients to maintain healthy vision throughout their lives. Our work encompasses a wide range of ocular conditions, including macular degeneration, glaucoma, diabetic eye disease, retinal vascular occlusive disease, and dry eye disease. We complement our research efforts with robust community outreach programs, further improving the ocular and systemic health of our patients.

PARTNER WITH US

We invite you to explore our diverse sponsorship opportunities and join us in our mission to preserve vision. Together, we can make a meaningful impact. The Snowmass Retina & Eye Planning Committee is excited to share what promises to be our most informative conference yet, and we hope you'll be a part of it.

Review our Sponsorship Prospectus to learn more about how you can support our work.

Sincerely,

The Snowmass Retina & Eye 2026 Course Directors
